

SANDIP INSTITUTE OF TECHNOLOGY & RESEARCH CENTRE, Nashik
Department of Management Studies

Name of the Event:- Corporate Social Activity (CSR)

Day & Date : - Sunday, 27th September 2015

Objective :-

- To make students aware about the concept of CSR through practical activity
- To create the awareness about environment protection among the people of society

About The Event-

Department of Management Studies organized a CSR Activity in which students of MBA –I & II put up a stall near Chopda Lawns for collecting the Ganesh Idol from the people & to hand over them to Municipal Corporation for immersion of the Idol at a common place . this activity was conducted from morning 8 :00 a.m to 08: 00 p,m in the night . with this activity students protected the river Godavari from being getting polluted & also ensured the environment safety . also due to this activity students came to know that they have some responsibility towards society & which should be fulfilled with

Outcome:-

1. Students learnt the concept of CSR through actually performing a social responsibility
2. they were successful in creating awareness about environment protection among the people of society
