**Objective :**

- 1. To create sense of belongingness & responsibility towards the Mankind & Society**
- 2. To Create Awareness among students regarding their responsibilities towards development of Underprivileged people of Society**

**About The Program:**

*Students of Sandip Foundation from Department of Management studies undertook the CSR Activity of Donating clothes & Diwali Sweets at Sapte Village, Trimbakeshwar. All the Students & Faculty Members collected Clothes from the nearby area of their residence. The clothes were distributed to the Students & also the residence of the sapte village. The main motive behind this activity was to teach our students that owe to the society & it's their moral responsibility to repay back to the society by doing CSR Activity. The villagers & school students were very happy by this act & thanked all the students for showing gratitude & kindness towards them & taking a small step for bringing happiness on their face.*

**Outcome:**

- 1. Students learned that they have got some responsibility & Belongingness towards society**
