About The Program:

Department of Management Studies had organized an expert session on “**Mutual Fund as an Investment Option**” for MBA Students. The Guest speaker for the same was Mr Aditya Hingne from HDFC Mutual Funds. While addressing the students firstly he spoke about difference between Investment & savings. Then he focused on equation of savings and expenses, in which he told that we must always save first and whatever amount is left after saving we must try to manage our expenses in that amount. Later on he went on to explain how dangerous the inflation is and it can really eat up our hard earned money. He then talked about risk & return trade off. He then started discussing about mutual funds, in which he explained what actually mutual funds are, what are they various types. Usefulness of Mutual Funds in creating wealth. adding more he said

mutual fund as an investment tool can be used for meeting long term expenses and expenses which require huge capital outflow such as Buying a house, Car Children education and marriages, it can also used in retirement days . Difference between simple interest and compound interest was also explained. At the end of the session queries of the students related to investment were solved.

Outcome:

- 1. Students got a brief idea regarding the world of investments***
- 2. Students were able get knowledge of Investment world, they came to known about various investment avenues and also learnt in depth regarding mutual funds***
