About SANDIP FOUNDATION
Sandip Foundation is established with the primary objective of rendering selfless, dedicated and yeoman service to higher education in the field of Engineering, Management, Paramedical Sciences & Arts. Sandip Foundation is sprawled over 250 acres of lush green naturally elevated campus, provides exquisite infrastructure with smart classrooms, ultra-modern laboratories, RO purified drinking water, healthy & hygienic food, Wi-Fi Campus, magnificent amphitheatre, spacious hostels, transportation, cricket ground, water reservoir which is at par with the best of international universities

About Dept. of Management Studies
Established in 2009 as the Department of Management, the department is Ranked 39th among the “Top 100 MBA Colleges in 2014” & Ranked 9th in Academic Excellence At All India Level by Silicon India. In a very short period of time MBA programme has become the choice for aspiring & meritorious students across the Indian sub continent with its highly career oriented program Master of Business Administration (MBA).
The Department has an objective to enable budding professionals to internalize the body of knowledge in Business Management and emerge out with mastery integrated with social responsibility and ethical standards. While the MBA Program provides the students a rich blend of academic excellence, practical insight from industry and technology enabled infrastructure, MBA (International Business) grooms students with global standards in education that would prepare them to face cross cultural challenges around the world.

Objectives of Workshop

- * To Develop high impact in teaching pedagogy
- * To provide an insight into various factors Empowering teachers to teach
- * To understand the importance of mentorship in teaching process
