

Importance of Microsoft Excel

Department of Management Studies had organized a guest lecture for MBA-I students by Mr Ashok Sinkar on the topic Microsoft Excel. He in his lecture told about the growing importance & need of Ms Excel in the Industry. He demonstrated the usefulness of Ms Excel. He also highlighted upon how knowledge of Ms Excel is crucial for any management graduate. He showed some practical demonstration how excel helps in data analysis & report generation. He also urged students to learn Advance Excel because now a day's most of the companies have pre requisite condition that candidate must possess good knowledge about Ms Excel. So a certification course in Ms Excel would create an advantage for getting placed in good company.
