1.Mr Sanjay Puranik

Coordinator : Prof Ruplai Kulkarni

Objective :

1. To give Practical Lessons on How to manage People Effectively

About The Program:

Sandip Foundation’s, Department of Management Studies had organized Guest Lecture for MBA students on “Managing People Effectively”. The Guest Speaker was Mr Sanjay Puranik. While addressing the students Mr Sanjay Puranik Many managers will agree that managing people might be the most challenging part of their everyday job. There is no secret recipe or clear set of rules to follow if we want to bring the best out of our employees. It takes time, patience and energy to build a team of productive, proactive and satisfied employees. Some will say that HRM is more of an art than a science and you won’t go a long way by being only book smart

Outcome:

1. Students Understood what Skills & Knowledge required to manage people effectively
