Objective:

- 1. To give students a basics of volunteering at various programmes practically.***
- 2. To Understand the Importance and benefits of volunteering in Educational and social activities.***

About The Program:

Sandip Foundation's, Department of Management Studies had been contacted by (Ambad Industries and Manufacturer's Association) AIMA authorities Mr . Dhananjay Dixit (Volunteer Committee Chairman), had narrated MBA-I students about volunteering at AIMA Index 2018 Nashik. Students had volunteered AIMA Index 2018 event as the work allotments and given maximum possible output to it. Students have also interacted with Industry Proprietors, Directors, CEOs during this five days event at Dongare Vasatigruha, Nashik

Outcome:

- 1. Gain confidence:** Volunteering can help you gain confidence by giving you the chance to try something new and build a real sense of achievement..
- 2. Make a difference:** Volunteering can have a real and valuable positive effect on people, communities and society in general.
- 3. Meet people:** Volunteering helped students meet different kinds of people and make new contacts.
- 4. Be part of a community:** Volunteering helped students to feel part of something outside their class, friends and family.
- 5. Learn new skills:** Volunteering helped students learn new skills and gain new experience apart from class room teaching.
- 6. Take on a challenge:** Through volunteering students can learn to challenge themselves to try something different, achieve personal goals, practice using your skills and discover hidden talents.
