Report on Best out of waste Competition***

Event Title: - Best out of waste Competition

Date: - 29th January 2020

Conduction Duration: One Day

Venue: MBA Department, SITRC

Event Coordinator: Dr.Hetal Bhinde

Number of Participants: 60 (MBA-I)

Objective:

- 1. The objective of the competition was to create love for environment by making best out of waste with help of recyclable things.*
- 2. To develop the ability to think and organize the thinking to create something useful.*
- 3. To indulge the students into an extracurricular activity with exclusive tool i.e. waste material.*
- 4. To explore the environmental concepts and actions which are beyond the curriculum & syllabus.*
- 5. To make our vision and outlook broader about the nature & society.*
- 6. To control the harmful effects of waste on our environment.*

About The Program:

Sandip Foundation's, Department of Management Studies wanted to create awareness amongst students towards environment. For the same under the able guidance of HOD and staff.
