Report on Industrial Visit at Rajhas Plant

Event Title: - Industrial Visit at Rajhas Plant

Date: - 25th January 2019.

Conduction Duration: 01 Day

Name of the Industry: Rajhas Plant , Sangamner

Coordinator: Dr Hetal Bhide

Objective:

1. To give students a Practical Exposure Regarding working of Industry

About The Visit : Department of Management studies had organized one day Industrial Visit at Rajhas Plant , Sangamner. The purpose of organizing this Industrial visit was to show students how actually the Industry Functions. The students were guided on daily working activity at the Industry. The management concepts which are taught to the students in their theory lectures were practically shown such as how an organization runs i.e. daily management functions planning , organizing, staffing, controlling, decision making. Students were also shown how the production department runs. To make business successful and take it to higher level marketing plays an Important role so students were also given some insights on how the marketing of heir products is done.

Outcome:

1. Students were able to see the functioning of Industry Practically

2. Students learnt about the management Functions Practically
