**Date: 03/03/2014**

**Name of Event:** Workshop on How to become an Entrepreneur using Project.

**Name of resource person:** Prof. K.T. Talele

**Designation and Address of Organization:** Associate Professor, SPIT,  
Andheri, Mumbai

**Objectives:** To obtain applicative knowledge of Entrepreneurship by involving the thought in Project Work.

**Session:**

We have organized a programme under 'interpreneur development cell', in which we have invited Mr. K.T. Talele. He is currently an Associate Professor in E&TC dept in SVIT college of engineering Mumbai. He has teaching experience of 25 years.

He has received incentives in his career. He had basically come to guide us on project & Entrepreneurship Development cell.

He had shown various videos of different projects. The videos captured everyone's mind . the work-done in the project was worth appreciating. He explain the students importance of project work in our career & that the future scope also almost dependent on our project .

It was only a two hrs. Seminar but keep our mind captured we all were taken as to what are we in the present & what actually we have to be in our future .this seminar concluded with a lot of things. as we came to know the actual meaning of enterpreneur.

The words of prof, K.T. Talele have inspired the youth tha had attended his seminar. It was indeed & intresting & helpful seminar. The idea of EDC cell has much significance in our career and hence it has contributed significantly in our career.

**Outcomes:**

1. Project Selection
2. Understanding of Project
3. Understanding of Entrepreneurship Development.
