Guidelines for the Hostels of Sandip Foundation

In view of Covid – 19 pandemic Sandip Foundation / Sandip University have taken a precautionary measures to maintain the social distancing, safety and health of the hostel students by framing the guidelines as mentioned below :-

1. For security purpose, ensure 24 hours manning of the post and the person manning the area must be trained and instructed to wear mask, face shield and gloves during the duty hours.
2. All the students have to undergo scanning of body temperature while entering the hostel by maintaining the proper distance and safety.
- 3 The hostel premises, rooms and gym should be disinfected at regular interval.
4. Wearing of mask, face shield and gloves should be mandatory for all the hostelites.
5. The students have to maintain the social distancing while they are commuting to canteen or any other place in the campus.
6. Students should use the sanitizer / soap at regular interval.

7. Sanitizing the bags or other luggage while entering the hostel and keeping the record of the same by the security guards.
8. Students shall not allow going out of the campus or travelling to city more frequently for safety reasons without the permission from the parents (telephonic consent)
9. Students have to take proper care while playing any outdoor sports so as to maintain the safe distance.
10. Limited students should enter the gym and TV room with mask and sanitizers.
11. As the washrooms areas are common, students have to take utmost care while using so as to maintain the distance and should not be overcrowded. The washrooms should be disinfected at regular intervals.
12. To create awareness about the COVID - 19 some posters to be display in the Hostel.
13. Routine check-up will be mandatory for all the students from the doctors visiting the campus as per the schedule.
14. All the hostel students have to keep a track record on day to day basis to which they have come in contact with the other students and staff in the campus.

A red handwritten signature or mark.

15. Students should not enter the other's rooms for the safety purpose and should avoid making groups.

16. If a student develop the symptoms along with fever (running nose, tiredness, and dry cough), he/ she will be kept under observation in the isolation centre as per the advice of the enlisted doctor of Sandip Foundation. Food will be served in a disposable packet for the students staying in the isolation centre.

17. Students staying in the isolation centre needs to be examined twice (morning and evening) daily clinically and those requiring referrals for related symptoms or any other reason needs to be referred to designated hospital in ambulance with due precautions.

18. Daily monitoring visits to be conducted with due precautions to see the facility of the isolation centre.

19. Using each other's phones, belongings, sharing of common stationery like pens, or other work tools and equipment, should be discouraged.
