- 2. To give students a good opportunity to gain full awareness about industrial practices.***
- 3. To provide an exposure to students about practical working environment***

***About The Program:***

Department of Management Studies had organized a Industrial Visit to ***Sahakar Maharshi Bhausaheb Thorat Sahakari Sakhar Karkhana Ltd. & Rajhans Milk, Sangamner Taluka Sahakari Dudh Utpadak & Prakriya Sangh Ltd. Sangamner on 27<sup>th</sup> March 2022*** . Industrial visit is considered as one of the tactical methods of teaching. The main reason behind this- it lets student to know things practically through interaction, working methods and employment practices. Moreover, it gives exposure from academic point of view. Main aim industrial visit is to provide an exposure to students about practical working environment .They also provide students a good opportunity to gain full awareness about industrial practices. Through industrial visit

*students get awareness about new technologies. Technology development is a main factor, about which a students should have a good knowledge. Visiting different companies actually help students to build a good relationship with those companies. We know building relationship with companies always will always help to gain a good job in future. After visiting an industry students can gain a combined knowledge about both theory and practical. Students will be more concerned about earning a job after having an industrial visit.*

**Outcome:**

- 1. Students got to know things practically through interaction, working methods and Employment practices.***
- 2. Students got a good opportunity to gain full awareness about industrial practices.***
- 3. Students were exposed to practical working environment***
