***Event Title: Alumni Talk “Importance of Participating in Extra Curricular Activities during MBA Prgramme”***

***Date: 12<sup>th</sup> January 2023***

***Conduction Duration: 2Hours***

***Venue: MBA Class Room***

***Resource Person: 1)Mr Narendra Patil (City Growth Manager , Zomato Ltd & Alumni 2019 Batch)***

***Coordinator: Prof PrabodhanPatil***

***Objective:***

***1. To motivate students to participate in extra curricular activities to enhance their skills***

***About The Program:*** On a recent session conducted by Mr Narendra Patil, Alumni 2017-19 Batch who is currently working in Zomato as a city growth Manager , the topic of discussion was the importance of participation in extra-curricular activities for the enhancement of skills. Mr Patil began the session by highlighting the various benefits that students can gain from participating in extra-curricular activities, such as developing leadership skills, teamwork abilities, and time management skills.He also emphasized that participation in extra-curricular activities can help students discover their passions and interests, which can ultimately lead to a successful career. Additionally, he highlighted that extra-curricular activities can help students stand out when applying for college or jobs, as they demonstrate a well-rounded individual with a variety of skills and experiences.Furthermore, Mr Patil also discussed how participation in extra-curricular activities can help students develop important life skills such as communication, problem-solving, and decision-making. He also stressed that it is important for students to participate in a variety of activities to gain a well-rounded set of skills, rather than just focusing on one activity.

In conclusion, the session conducted by Mr Narendra Patil highlighted the importance of participation in extra-curricular activities for the enhancement of skills. The session was informative and helped students understand the various benefits of participating in these activities and how it can help them in future.

***Outcome:***

***1. Students came to know about importance of participation in extracurricular activities in order to enhance the skills***
