***Objective:***

- 1. Raise awareness about importance of Certification Program in Banking, Finance and Insurance***
- 2. To provide insights into available certifications and their relevance in enhancing career prospects***

### ***About The Program:***

*Sandip Foundation's ,Department of Management Studies had organized a Awareness and Orientation Program on Certification Programs in Banking, Finance, and Insurance for our esteemed MBA students!*

*This enlightening session aimed to equip our students with valuable insights into the dynamic world of banking, finance, and insurance, and the immense career opportunities available in these fields.*

*The program featured distinguished industry experts who shared their extensive knowledge and experiences, providing our students with a comprehensive understanding of the certifications that can significantly boost their career prospects in these sectors.*

*Our MBA students enthusiastically participated in interactive discussions, gaining valuable insights on topics such as risk management, investment strategies, insurance policies, and much more.*

*We believe that this initiative has empowered our MBA students with a solid foundation in banking, finance, and insurance, positioning them for future success in their careers.*

### ***Outcome:***

- 1. Increased knowledge of industry trends and career opportunities in these sectors***
- 2. Enhanced awareness and understanding of certification programs in banking , insurance and finance***
