Event Title: - “Farewell Function-2022-23”

Date: - 01st July 2023

Conduction Duration: One Day

Coordinator: Prof Manisha Pagar

About The Program:- Department of Management Studies organized farewell for the batch Wave –XIII 2021-23 . Initially we had the formal function where in the Head of Department Dr Sarika Patil shared her memories about the students from the day one i.e. From the Induction day till date. She said that it’s not only that she had taught students but she has also learned lot many from students. She also gave best wishes for the students to excel in their professional life & also focused on strengthening the bond between the institute & the students. After that honorable Principal Dr Milind patil gave his best wishes for the students & he appreciated the MBA students saying that they have good convincing power & are very focused on their career. Shivani Vaishnav was awarded with Best Outgoing Students for her contribution towards the development of the department. After the formal Function we had the informal function which was hosted by students of MBA-I . We had some dance performances then some funny awards were given to the students. Videos were shown reflecting the memories of past two years which was were nostalgic & made the atmosphere emotional. Then some students shared their views about the college, staff members & their friends how they felt during the past two years. Token of Love was also given to students by the faculty members. Lastly all students came upon the stage for the very last time & danced with full enthusiasm & hugged each other & forgot all the grudges if any they had amongst each other & promised to friends throughout the life.
