*Value Added Program on "Empowering youth through Education Training in Finance
and Accounting"*

*Event Title: - Value Added Program on "Empowering youth through Education Training
in Finance and Accounting"*

Date:- 22/05/2023 to 10/06/2023

Conduction Duration: 15 days ,Daily Two Hrs.

Venue: Online – Zoom

Resource Person:

WNS Cares Foundation Team

Coordinator: Dr. Harshada Aurangabadkar

Objective:

- 1. To impart domain knowledge and provide opportunities for employment.*
- 2. To provide industry relevant training to bridge the skill gaps.*

About The Program:

Finance Cafe, in collaboration with the Department of Management Studies, organized a highly informative and interactive Two-week Value Added Program on "Finance and Accounting" for MBA students. The program aimed to equip the students with a solid foundation in finance and accounting concepts and provide practical insights into various financial processes. The sessions were conducted by the esteemed Training Team from WNS Cares Foundation, renowned for their expertise in the field.

Throughout the program, the participants were exposed to various aspects of finance and accounting, including Peer to Peer (P2P) overview, Order to Cash (O2C) overview, and Record 2 Report (R2R) overview. These sessions delved into the intricacies of these processes, highlighting their importance and showcasing their practical applications in real-world scenarios. Additionally, an assessment was conducted to gauge the participants' comprehension of these topics, ensuring active engagement and knowledge retention.

Moreover, the program offered a comprehensive exploration of additional essential skills and competencies. The participants were introduced to Quality Management Foundation, workplace etiquettes, interview skills, soft skills, and online mock interviews. These sessions aimed to enhance their professional acumen and equip them with the necessary tools to excel in the corporate world

Outcome:

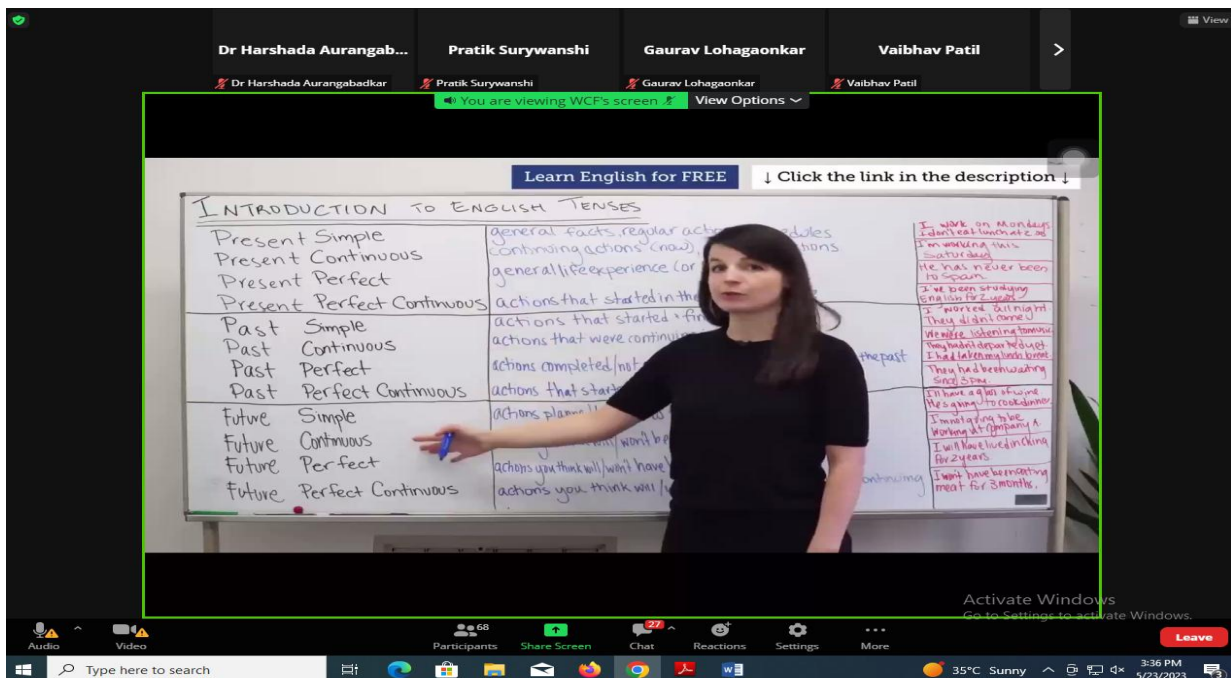

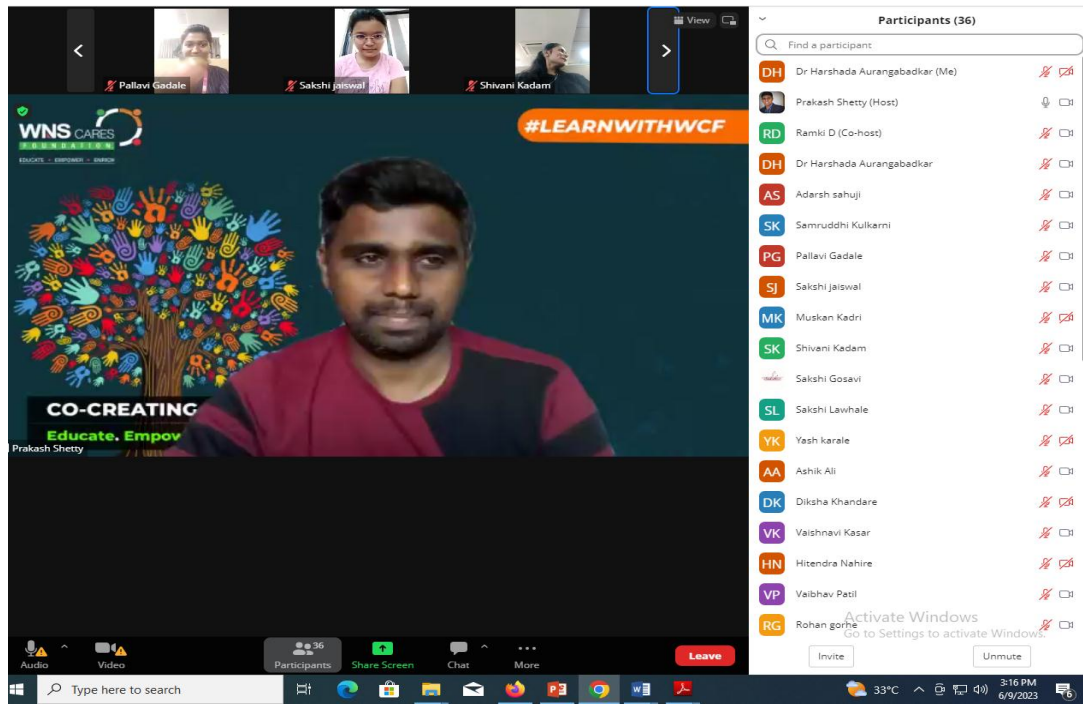

1. One of the key strengths of the program was the interactive nature of the training sessions. Participants had the opportunity to actively engage with the trainers, enabling them to seek clarifications and have their doubts resolved in real-time. This personalized approach to learning proved to be a significant value addition for the participants, as it fostered a deeper understanding of the subject matter and promoted an enriching learning experience.
2. To evaluate the participants' knowledge and understanding of the program's content, a comprehensive test was conducted at the conclusion of the training. The test aimed to assess the participants' proficiency in finance and accounting concepts, as well as their ability to apply these principles in practical scenarios. It is with great pleasure to announce that 65 students successfully qualified in the test, showcasing their dedication and commitment to their learning journey.

To acknowledge the students' successful completion of the Value Added Program, an online certificate distribution program and valedictory function were held on 9th June 2023. The event served as a platform to honor the participants' achievements and celebrate their growth throughout the program. Certificates were awarded to the qualifying students, recognizing their dedication and commitment to enhancing their

finance and accounting knowledge

Finance Cafe and the Department of Management Studies extend their heartfelt gratitude to the Training Team from WNS Cares Foundation for their valuable contributions and expertise in making this program a resounding success.
