### Report on Sandip Chaupal

**Event Title:** Sandip Chaupal 2023

**Date:** 13<sup>th</sup> October 2023

**Conduction Duration:** 60 minutes

**Venue:** MBA Department

**Coordinator:** Dr. Tarun Kanade

#### **Objective:**

- 1. Mock interviews help students hone their interview skills, including articulating their thoughts, answering questions effectively, and presenting themselves professionally. This prepares them to make a positive impression in real interviews.*
- 2. Mock interviews boost students' self-confidence by providing a safe environment to practice and receive constructive feedback. As they become more comfortable with the interview process, they are better equipped to handle the pressure of actual interviews.*

#### **About the Program:**

Department of Management Studies at SITRC on October 13, 2023 organized the event Sandip Chaupal, it was a pivotal event geared towards preparing second-year MBA students for the impending placement season. Notably, the event featured a crucial component: mock interviews conducted by the department's experienced faculty members.

For second-year students, these mock interviews held particular significance, as they were on the cusp of transitioning into the professional world. The primary objective was to offer them comprehensive insights into the final placement process. Through these simulated interviews, students gained a

practical understanding of the art of handling interview questions and mastering the nuances of salary package negotiations.

First and foremost, these mock interviews provided students with a real-world experience of what to expect in actual job interviews. They faced a range of common and challenging interview questions, allowing them to refine their responses and presentation. This experiential learning not only boosted their confidence but also provided a platform for constructive feedback.

Additionally, the mock interviews enabled students to become well-versed in the negotiation aspects of the final placement process. They learned how to approach discussions about salary, benefits, and other terms, a crucial skill for securing competitive job offers.

In summary, "Sandip Chaupal" and the mock interviews within it played a vital role in equipping MBA students with the practical skills, confidence, and insights needed to navigate the upcoming placement season successfully. It was an invaluable experience that bridged the gap between classroom learning and real-world job hunting, preparing them to stand out in the highly competitive job market.

### Outcome:

1. Students developed better interview skills, enhancing their ability to handle questions and present themselves confidently during actual job interviews.
2. The experience prepared students to negotiate salary packages effectively, a critical skill for securing favorable job offers during the placement season.
