The speaker then discussed the various skills that are essential for climbing the corporate ladder, including strong communication skills, leadership abilities, time management, and the ability to work well under pressure. The speaker also emphasized the importance of networking and building relationships, both within and outside of the company, as well as the need to constantly learn and adapt to new technologies and trends.

The speaker also talked about the importance of setting goals and working hard to achieve them, and shared personal anecdotes of their own experiences climbing the corporate ladder. The speech was interspersed with examples and practical tips for attendees to apply in their own careers.

The speech was well-received by the students, who found the speaker to be knowledgeable and engaging. Students felt that the speech provided them with valuable insights and practical advice that they can apply in their own careers. The session was concluded with a Q&A session, in which students had the opportunity to ask the speaker any questions they had about the topics covered during the speech.

Outcome:

- 1. Students came to know about importance of updating of skills necessary to climb up corporate ladder**
