Report on National Youth Day

Event Title: National Youth Day

Date: 12th Jan 2024

Conduction Duration: Half Day

Venue: MBA Classroom

Coordinator: Dr. Tarun Kanade

Objective:

- 1. Through motivational talks, interactive sessions, and success stories, the event intends to ignite a spirit of entrepreneurial thinking and creative problem-solving among the youth.*
- 2. Through discussions, workshops, and community outreach programs, the objective is to encourage active participation in societal issues and develop a commitment to making a positive impact on the community.*

About the Program:

The Department of Management Studies at SITRC, Nashik commemorated National Youth Day on January 12, 2024, in honor of Swami Vivekananda's birth anniversary. The theme, "Arise, Awake, and Realize the Power You Hold," set the tone for an inspiring and thought-provoking celebration.

The event featured engaging activities, including student speeches that provided a platform for them to articulate their thoughts on future career paths. Students delved into discussions on the contemporary professional landscape, drawing parallels between the resources available in the 20th century and those accessible today. They highlighted the transformative potential of embracing modern resources, emphasizing how technology and information

could fuel enthusiasm, raise awareness, and empower them to occupy influential positions on the global stage.

The celebration served as a platform for students to share their aspirations and visions for the future. It encouraged a collective reflection on the role of youth in shaping the world, fostering a sense of responsibility and purpose among the participants. By embracing Swami Vivekananda's principles, the event aimed to inspire students to recognize the power they hold and to channel it towards positive personal and societal transformations, aligning with the essence of National Youth Day.

Outcome:

- 1. Through discussions on the evolving professional landscape and leveraging modern resources, participants developed a heightened awareness of their potential impact and the opportunities available in today's dynamic world.*
- 2. By recognizing the transformative power of technology and information, participants gained a global perspective, fostering an outlook that encourages them to actively engage with international developments and contribute meaningfully to the global community.*
