Report on Guest Lecture

- **Event Title: - Guest Lecture on Wealth Creation in Financial Markets**
- **Date: 09th December 2022**
- **Conduction Duration: 2Hours**
- **Venue: Virtual Platform Via Zoom Meeting**
- **Coordinator: Prof PrabodhanPatil**

Objective:

- 1. To give Insight about Financial Markets**
- 2. To impart the knowledge regarding importance of Investment & Savings**
- 3. To introduce students to the world of Investments**

About The Program:

Department of Management studies organized an interactive session on “Wealth Creation in Financial Markets” in which Mr. Swetav Tripathy, , discussed the tactics and tools that use to create long-term and short term positive investment returns. He emphasized the importance of asset allocation and diversification and the limited effects of market timing and security selection.

Mr. Tripathy discussed the tactics and tools that an investor can use to create long-term, positive investment returns. He emphasized the importance of asset allocation and diversification and the limited effects of market timing and security selection. Also, the extraordinary returns of

hedge funds, one of the more recent phenomena of portfolio management, should be looked at closely, with an eye for survivorship and back-fill biases.

He also enlightened the students on the important points in investment with respect to today's economic scenario. He cleared some myths related to financial investments and also focused on the initial risk analysis before investing into any avenues for getting maximum revenues. He also provided with the knowledge about the bank loans, taxes and the awareness about the Ponzi schemes. The overall session was very informative and interactive as Mr. Swetav cleared many doubts related to financial market.

Such value added program really benefits the students and inculcates the true means of practical learning among the students. Bringing such guest speakers with proven expertise in a topic provides added credibility to the content.

Outcome:

1. Students came to know about various facets of Financial Markets
2. Students Learned Difference between savings and Investments
3. Students got to know how to create long term wealth from Financial Markets

Focus on Post tax earnings

- Every income earned is not equal because of differentiated tax treatment.
 - Salaries and Professional incomes are fully taxable. Salaried people spend money from post tax income.
 - Businesses pay taxes from post expense income. They are at advantage.
 - Dividend income is taxable in the hands of shareholders and LTCG at 10% is applicable on profit made above Rs. 1 lakh on sale of Equity shares.
- One should focus on post tax earnings.
