- Venue: C' Buiding , SITRC.
- Resource Person: Mr. Rajesh Gavit
- Coordinator: Prof. Pratiksha Bhujbal

Objective:

- To create awareness about emerging cyber threats and safe online practices.
- To educate students on various forms of cybercrime and legal consequences.
- To guide students on how to protect their personal data, financial information, and digital identity.
- To promote responsible usage of social media
- , digital payments, and internet technologies.

About the Program:

The Department of Management Studies organized an insightful and highly informative session on "**Cyber Safe India**" conducted by **Mr. Rajesh Gavit**, Assistant Police Inspector from Trimbak Police Station, Nashik.

Mr. Gavit, with his extensive experience in handling cybercrime cases, shared real-life incidents and practical strategies to stay secure in the digital world. He highlighted how cybercrimes are rapidly increasing due to widespread use of smartphones, social media, online banking, and digital payment platforms.

He explained various forms of cybercrimes such as identity theft, financial frauds, social media hacking, phishing, and online harassment, while also sharing real-life examples to highlight how easily individuals can fall victim to such threats. Emphasizing the importance of proactive digital safety, he guided students on essential practices like using strong passwords, enabling two-factor authentication, avoiding suspicious links, and protecting personal information on social media. Mr. Gavit also briefed students about the legal aspects of cybercrime under the IT Act, the process for filing complaints, and the role of the national
